

Autodesk It's Time Promotion

Frequently Asked Questions and Conditions of Offer for Asia Pacific Customers

Autodesk design and creation suites provide comprehensive workflows for specific needs—in building design, product design, entertainment creation, and more. These compatible sets of software tools and cloud services offer interoperability and capabilities that leverage the familiarity of Autodesk's leading design and visualization solutions, in a single economical and convenient package.

1. What is the Autodesk It's Time Promotion?

For a limited time, from May 7, 2012, through July 13, 2012 inclusive (the "promotional period"), the It's Time promotion offers up to 20% off Suggested Retail Price ("SRP")* on selected upgrades from a previous version. The offer includes discounts on upgrades (including cross-grades), retroactive Subscription and Get Current (formerly Legacy) Program purchases.

2. Are upgrades from 2013 versions included in the Autodesk It's Time Promotion?

Yes, the offer includes discounts on upgrades to Autodesk Design and Creation Suites or individual products from 2013 versions: as well, you can upgrade from one edition of a Suite to another. See question 6 for the full list of "going-to" products.

3. What are the requirements for the Autodesk It's Time promotion?

1. Customers must have a full commercial license of an eligible upgrade product registered with Autodesk before May 7, 2012. Please contact your local Autodesk Reseller to find out whether your product is eligible. Autodesk products purchased under educational or government pricing are not eligible for this promotion.
2. Customers must submit a purchase order for an upgrade to one of the products listed in question 6 to an Autodesk Reseller during the promotional period. Purchase orders for each upgrade must contain registration details and a valid serial number of a full commercial seat of eligible upgrade product that was registered with Autodesk before May 7, 2012.
3. Upgraded product must be on Autodesk Subscription. Please refer to question 8 for more details.
4. Discounts under this It's Time promotion may not be combined with any other discounts, promotions, or other incentives offered by Autodesk unless specified herein.

4. Is Autodesk® Subscription required to receive It's Time pricing?

Yes, Autodesk Subscription **is required** in order to receive promotional pricing under the Autodesk It's Time promotion.

Benefits of Autodesk Subscription

Autodesk Subscription now gives you a greater advantage with Autodesk® 360 cloud-based services that help you increase mobility, improve collaboration, and optimize your designs—advancing the way you work. Along with upgrades to the latest software releases, basic technical support, and flexible licensing privileges, Autodesk Subscription provides 25 GB of cloud-based storage per seat. This allows you to store numerous files in the cloud, extending your workflow beyond the desktop and enabling you to share projects with anyone, anytime, anywhere. In addition, exclusive access to cloud-based services—such as rendering, energy analysis, design optimization, and robust collaboration—is now available for select products and suites.

Separate terms and conditions apply to Autodesk Subscription: see <http://usa.autodesk.com/adsk/servlet/index?siteID=123112&id=7942019> for terms and conditions.

5. Which customers are eligible to participate in the Autodesk It's Time promotion?

Commercial and government customers in Japan, Australia, New Zealand, China, Hong Kong, Taiwan, Macau, India and the ASEAN countries that purchased under commercial pricing are eligible to participate in the Autodesk It's Time promotion.

7. Where do I find pricing and eligible products for the Autodesk It's Time promotion?

Please contact your local Autodesk Reseller for pricing and eligibility for the Autodesk It's Time promotion.

8. If I upgrade to a different product, will I have to pay the difference in Subscription prices on the new product?

Customers holding either one-year or multi-year Subscription contracts that upgrade to a different product or suite, will automatically have their Subscription contract migrated to the new product at no charge for the remaining months within the remaining Subscription period. Additional Subscription charges will be applied to the remaining years for any existing multi-year contracts or future renewals.

**Suggested Retail Price or SRP is used for reference purposes only as the actual retail price is determined by your Autodesk Reseller. Actual savings may vary when taking into account the retail price and the cost of Autodesk Subscription. Contact your local participating reseller partner for more information.
